

INDEPENDENT SPECIALTY TRAINERS FOR MENTAL HEALTH AND DEMENTIA TRAININGS FOR MANAGERS AND CAREGIVERS

Who is required to complete manager specialty training and when?

- Adult family home providers (including entity representatives as defined under chapter 388-76-WAC)
- Adult family home resident managers
- Boarding Home administrator or designee
- 120 days to complete and demonstrate competency

Who is required to complete caregiver specialty training:

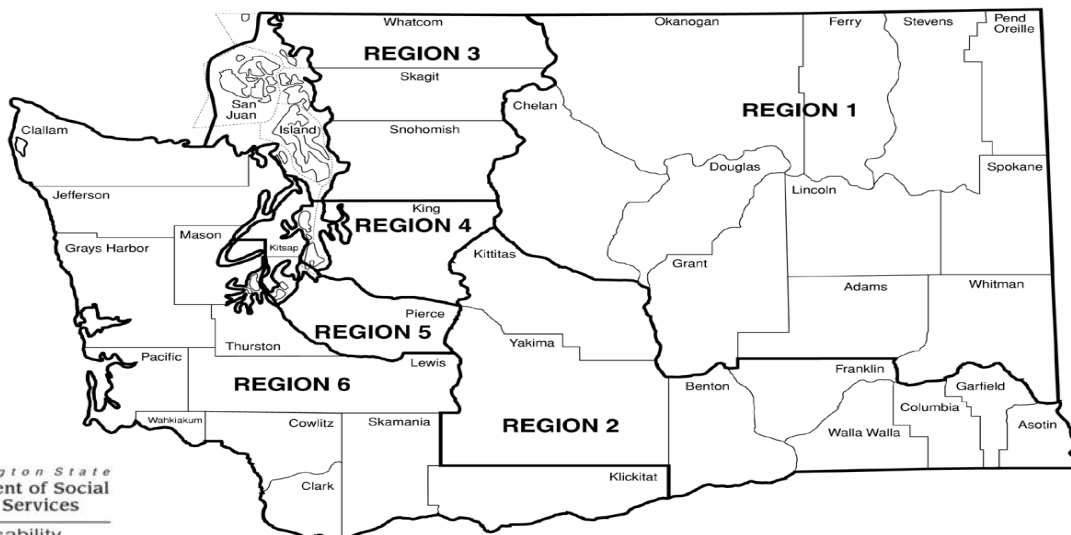

Adult Family Home: if an Adult Family Home serves one or more residents with special needs, all caregivers must receive training regarding the specialty needs of individual residents in the home. The provider or resident manager knowledgeable about the specialty may provide this training.

REGISTRATION

To register and confirm dates for the mental health and/or dementia specialty training classes:

- Contact a trainer listed in this brochure that is closest to you.
- Leave your name, address, phone numbers, fax, and/or email address.
- Leave your Boarding Home/Adult Family Home license # if applicable.

Trainers will send the registration materials to you. You will need to complete the registration which includes sending in the information they request on their registration forms and sending in the training fee for the specific classes.
